DESIGNER / ARCHITECT 3-6 YEARS' EXPERIENCE:

Denver / Boulder Colorado - Full Time Employment

Arch11 is seeking experienced, talented individuals with 3-6 years of experience to join our growing team for collaboration on transformative projects across the United States.

We value curiosity, creativity, innovation, diversity and vision and believe great ideas are even better in collaborative atmosphere. We encourage our team members to share their wildest ideas, innovations and magic. Our design culture truly honors the best ideas. We are keen listeners and find design inspiration from broad sources and conversations. At Arch11, we seek to inspire one another in problem-solving, growth and expanding our own pre-conceptions to advance our craft and deliver projects beyond our clients' expectations. Arch11 offers an opportunity to grow professionally through cutting edge design, a robust pipeline of projects and work with outstanding colleagues.

With each project, we focus on a fourfold: spaces that are bound to and emerge from their sites, technology that illustrates the evolution of craft, excellence at every scale of detail, and celebrating the sensual in common places and uncommon materials. Our work is locally responsive yet assumes a global perspective, celebrates modern lifestyles, is carbon responsible, and artistically cool.

Arch11 is a firm committed to equity and inclusivity. We are focused on a culture of design and lives well lived. We strive to support the nuances of working through the current situation of COVID and take the lessons learned into the post COVID environment. We support flexibility in the work environment while navigating the completion of our exceptional work. We are competitive in compensation and benefits and maintain highly creative and engaging working environments.

Join us.

Position Requirements:

- Bachelor's or master's degree in architecture from an accredited institution
- 3+ years of architectural experience preferably within high end modern residential
- Understanding and knowledge of building codes, zoning regulations, building construction, building systems and site requirements
- Proficiency in Revit, AutoCAD, SketchUp, Adobe Design Suite (Photoshop, Illustrator, In-Design), and Microsoft Office suite is required
- English language proficiency required.
- LEED AP is preferred
- Passive Haus certification and experience most welcome.

Culture, Compensation & Benefits

In the post-Covid world we are offering flexible work conditions. While most of us work remotely, we encourage using the studios for in-person collaboration, model-making and meetings. Relocation to Colorado is not required but working with us may be a good excuse to pick up and move here.

We offer full health coverage, matching Simple IRA and schedule flexibility predominantly during normal business hours. Salary is from \$54,000 - \$75,000 a year.
