

ASPIRING ARCHITECT / EMERGING PROFESSIONAL

Boulder/Denver Colorado - Full Time Employment

Arch11 is seeking talented, self-directed individuals to join our team.

We value curiosity, creativity, innovation, diversity and vision. At Arch11, we inspire one another to problem-solve, grow and expand beyond our own pre-conceptions; advancing our craft to deliver projects beyond our client's expectations. Arch11 offers professional growth through work on diverse project types with outstanding colleagues and leading-edge design.

With each project, we focus on a fourfold: spaces that are bound to their sites, technology that illustrates the evolution of craft, excellence at every scale of detail, and celebration of the sensual in common places and uncommon materials. Our award-winning work is locally responsive yet assumes a global perspective, celebrates modern lifestyles, is carbon responsible, and always artful.

Arch11 is a firm committed to equity and inclusivity. We focus on a culture of design and lives well lived. We support flexibility in the work environment while navigating the completion of our exceptional work. We are competitive in compensation and benefits and maintain highly creative and engaging workplaces.

Position Requirements:

- Bachelor's or master's degree from an accredited institution.
- 0-5+ years of architectural or building experience
- Beginning understanding and knowledge of building construction, building systems and site requirements
- Proficiency in Revit, SketchUp or Rhino, Photoshop, and Microsoft Office suite is required.
- Environmental consciousness
- English language proficiency required.

Culture, Compensation & Benefits

We offer a flexible hybrid work model. Many of us work remotely, we encourage using the studios for in-person collaboration, model-making, and meetings. Relocation to Colorado is not required but working with us may be a good excuse to pick up and move here.

We offer full health coverage, matching Simple IRA, and schedule flexibility predominantly during normal business hours. Salary is \$45,000 - \$75,000 a year depending on experience.
